Occurrence: 03/14/2025

What  
Happened: NEW USPS OIG COMPLAINT – IMMEDIATE ESCALATION REQUIRED I am formally demanding immediate intervention regarding mail fraud, obstruction of court filings, and deliberate USPS interference with federal legal matters. Your previous response was unacceptable. You wrongly redirected a federal criminal matter to the "Consumer & Industry Contact Office," which has no investigative authority over felony violations. This issue falls directly under the OIG's jurisdiction per 18 U.S.C. § 1701, 1702, 1505, and 1341 so do not attempt to again act unlawfully.... Key Issues Requiring Immediate Action: USPS falsely marked mail as "undeliverable" when federal agencies and courts were open. Many filings never left the post office at all, violating my due process rights. This constitutes felony-level obstruction of justice, not a customer service issue. USPS personnel involved in this obstruction must be investigated. Required Action: Acknowledge that this matter remains within the OIG's jurisdiction. Assign an investigative case number and confirm that this is being escalated to USPS OIG criminal investigators. Provide written confirmation of the investigation status and the name of the assigned investigator. Failure to act constitutes federal misconduct, dereliction of duty, and aiding in criminal obstruction. I expect an immediate and appropriate response. Attached: Supporting documents proving ongoing criminal violations.

Anyone else  
involved? Yes

Please list the  
name(s) of the  
other people  
and how you  
believe they  
were involved:

USPS Supervisors and Sorting Facility Personnel – The unexplained delays and obstructions indicate potential involvement at the Louisville USPS sorting facility, where my legal mail was held, improperly marked as undeliverable, or never dispatched. USPS Postmasters or Regional Managers – Given the widespread pattern of obstruction and USPS failing to deliver to multiple federal agencies and courts, high-level USPS officials may be directing or allowing these violations.
